

# **SCRIP PROGRAM**

SCRIP is a fundraiser that benefits the school without stretching your family's budget. Each family is required to earn the school \$100 profit through SCRIP according to school contract. To earn this profit, simply purchase national and local merchant's gift cards/certificates from SCRIP. Money you intend to spend on groceries, gas, dining out, or gift giving, generates financial support for St. Rose School. This program runs continuously, allowing families to contribute month after month. The SCRIP coordinator keeps track of your purchases and tracks your families profit contributions. To benefit your own family contributions, and to help SCRIP grow, your extended families are encouraged to buy SCRIP also. To make the SCRIP program a huge success, we need the support from all of our school and parish families. Please sign up your Safeway Club Card at [E-Scrip.com](http://E-Scrip.com).

SCRIP is sold in the school art room Monday through Friday from 8:15am-8:45am. SCRIP is also for sale after all weekend masses. Order forms are available in the school office and also available on school website and in the church bulletin. The SCRIP program is a share hour opportunity. If interested in volunteering to sell or to learn more about the SCRIP program, please contact SCRIP Coordinators: Loree Patnode at 360-225-6694 or Shannon Hurn at 360-903-2268. You may alternately leave a message at the school office 360-577-6760.
