

St. Rose School

2023-2024 Share Hours

Family Name: _____

Oldest Child's Name: _____ Grade: _____

Parent involvement at St. Rose is needed and appreciated. Your involvement of time, talent and treasure can be converted into share hours. Please see the guideline below:

- Married couple: 30 hours
- Single parent: 15 hours
- Preschool family: 10 hours

Share hours can be earned by:

- Donated items to the school for your child's classroom or special project. Please list the amount spent for each item on this sheet. \$20 spent converts to 1 share hour (donated items to the family auction obligation is not included in these share hours).
- Volunteer time directly associated to St. Rose School operations and activities.

Share hour ideas can be found on the school website.

The share hour form(s) can be turned into the school office at any time.

All share hour commitments must be fulfilled by June 14, 2024.
